**POLICY ON GREEN CAMPUS, ENVIRONMENT AND ENERGY USAGE**

**The Context:**

In consonance with its vision of the holistic development of student's, Mohindar Singh Kabal Singh Degree College takes initiatives to instill the values of environmental accountability for sustainable development among its stakeholders, mainly the learners of the College. The Institution works hard to create responsible citizens, who are working currently to save and foster the environment in the neighborhood.

In order to achieve the same NSS and Cultural committee of the College, undertakes and co-ordinate the following activities:

**ACTIVITIES:**

**Thrust Area:**

1. Clean campus initiatives
2. Landscaping initiatives
3. Waste management
4. Awareness initiatives
5. Judicious usage of Natural Resources

**Objectives of the Policy:**

1. To conserve and enhance the biodiversity on campus.
2. To implement environment friendly waste management procedures in the institution.
3. To increase awareness about environmental degradation and its increasing impacts on the local fauna and plants.
4. To carry out activities and follow procedures for a responsible use of natural resources

For achieving the above objectives the institute suggests for:

1. Undertake cleanliness drive in campus and in the neighborhood community, to create awareness about health and hygiene.
2. Increase Green cover in the campus by conducting tree plantation.
3. Discourage the usage of all types of plastic, specially the single use plastic
4. Dispose all E- waste to ecofriendly agencies to ensure their proper recycling.
5. Promote technology to ensure careful use of water, electricity and other natural resources.
6. Conduct various activities like seminar, skit, poster competition, essay competition etc. to highlight the importance of cleanliness, waste management, conservation of environment, water and energy conservation.
