University of Mumbai Letter : No. Aff./Recog./3953 of 2003, Mumbai - 400 032. Dt. : 5th August, 2003.

Date : _____

Feedback Mechanism:

- The feedback mechanism plays a very crucial role in the evaluation and improvement of existing curriculum. Feedback mechanism helps to monitor the curriculum to know its strengths and weaknesses.
- Our College implements the feedback mechanism and strategies to enhance the teaching learning process. As per the guidelines and suggestions from the Academic Audit Team and decision made in the IQAC meeting, the college has decided to collect the feedback on curriculum from various stakeholders from the academic year 2023-24.
- The IQAC has formed the feedback committee for framing the feedback form and evaluating the feedback analysis report in consultation with the college management, principal and head/senior of the departments.
- The College has collected online feedback from various stakeholders namely – Students and Teachers. Every year the College analyzes the feedback on curriculum. College Management, Principal, IQAC and every Department gave valuable suggestions and accordingly the necessary action has been taken to enrich the teaching learning process. The College has also collected online feedback on administration and infrastructure, learning resources and other facilities to enhance teaching and learning process.

Action taken report analysis

2023-2024

The college has developed an online questionnaire via Google Forms for the feedback from the students on teachers' performance. The questionnaire consists of different questions with four options. The questionnaire was circulated among the students in their WhatsApp group and they were told to fill it. The collected feedback forms were then analyzed. The findings and the action taken report is as follows

Findings:

1. All the faculties have in- depth knowledge of their concerned subjects.
2. All the faculty members encourage discussion in the class about their relevant subject.
3. All the faculty members create interest about the subject among the students with good communication skills.
4. Some of the faculty members conducted extra lectures for slow learners at department level.
5. All the faculty members make the use of ICT in the teaching learning process to make the lecture more effective and interesting.
6. Some of the faculty members conducted special sessions for the students to develop their skills and gave career guidance, personal counseling etc.

Action takes :

1. The Principal asked the faculty members to keep their knowledge update
2. The Principal appreciates the faculty members who conduct extra lecturers for slow learners
3. The Principal was happy to know that the faculty members organized seminars, tutorials, projects, study tours, class test etc
4. The Principal asked the faculty members to take an Internship program for practical knowledge.
5. The Principal asked the faculty members to read reference books available in the library.
